

Our Philosophy

Wrap-Around Counseling gets its name and philosophy straight from the Word of God (the Bible), which states:

All scripture is God-breathed and essential for teaching, rebuking, correcting, and training in righteousness, so that the man of God may be thoroughly equipped for every good work.

-2 Timothy 3:16-17

We believe that any human circumstance open to counseling is open to biblical counseling, as only Scripture can truly address the source of human problems and suffering, and the inter-connection of body, soul and spirit.

Wrap-Around Counseling Ministries is an outreach of The Chapel in North Canton and welcomes families and individuals who do not attend The Chapel. For more information, you can visit us online at www.northcantonchapel.org and go to: Get Connected > Wrap-Around Ministries.

Our Method

Edification ◀◀◀

The Wrap-Around staff is experienced, trained and equipped to address any and all needs of those who seek counseling. Each person or family is assessed and appropriate direction is advised. If the need is *spiritual growth*, we partner with the corresponding ministry at The Chapel (men's and women's ministries, family life ministries, Adult Bible Fellowships, etc.) to provide a caring community and environment in which to grow. This is counseling by **Edification**.

Encouragement ◀◀◀

If the need is of a nature that requires more "face time," healing and support, there are a number of accountability groups and mentoring partnerships available where spiritually healthy men, women or couples come alongside those who are struggling, and help them navigate through the difficult seasons of life. This is counseling by **Encouragement**.

Enlightenment ◀◀◀

Wrap-Around has also recently acquired the capability to address psychological/psychiatric cases. The following individuals (on staff or in partnership with our ministry) are licensed to diagnose and treat mental and emotional disorders, and counsel biblically. These individuals will be counseling by **Enlightenment**. They are:
